Young Family Finance Seminar

Thursday, April 20, 2023, at 6:30-9:00 PM

A rescue squad is urgently needed when someone falls off a cliff, but it would be much better if there was a fence to keep people from getting too close to the edge in the first place. This seminar helps youth and young married couples avoid the edge of the financial cliff and prevents painful pitfalls. Topics include debt and its consequences, key principles of saving, when and how to give, and more.
