- 9:45 Break & Snack
- 10:15 **Work and Business as a Testimony**

Church members involved in business can build or tear down the testimony of the church in the local community. Which business practices build testimony? Which destroy it? What encouragements and warnings should leadership be providing to the church?
- 11:00 **Wills and Guardianship Issues**
by Richie Lauer
Is it true that every family should have a will? What happens to minor children when there is a death without guardianship arrangements having been made?
- 11:45 Lunch
- 1:00 PM **Making Eternal Investments: Having a Single Eye** *by Tim Thomas; Pickens, SC*
In the Sermon on the Mount, Jesus said we should "lay up treasures in heaven." One of the next things Jesus says is, "if therefore thine eye be single, thy whole body shall be full of light." A "single eye" was a well understood idiom in those days that referred to how we respond to

needs we see. On the other hand, an "evil eye" referred to being stingy towards the needs of others. Jesus then compares this to an "evil eye" which is another idiom that referred to how we respond to needs we see. The burden of this topic is to call our people to have an awareness of the needs around us and respond to them in the way Jesus would have.

- 1:45 **Budgeting as a Steward's Tool**
by Jason Sensenig; Tyrone, PA
A budget is a good tool to help those struggling financially to get back on their feet again. It is also a good tool for those who have plenty to be good stewards of what God has given them. Sometimes a deacon or trustee committee is not sure how to help someone get on a budget. This session explains the four steps in setting up a budget and the benefits of it.
- 2:30 Break & Snack
- 2:50 **Panel discussion**
Moderated by Richie Lauer
- 3:45 **Brotherhood Financial Transparency and Accountability**
by Gary Miller
We look back and marvel at how the early church freely shared their possessions. Was this belief only for those first believers? Is it possible that we should have more financial transparency and accountability in our day?
