Anabaptist Financial presents employee seminars from an Anabaptist perspective.
Our seminars help you develop operational skills, implement best practices, and work
together in harmonious relationships. Join us for a unique opportunity to:

- **Hear sound teaching** – that integrates Biblical values and spiritual truth with practical workplace counsel.
- **Advance your career education** – by attending year after year. Our systematic teaching of various aspects of employee work leads to well-rounded business training. Each seminar focuses on different areas of business operations and workplace issues.
- **Invest your time well** – by setting aside the tasks of one day to focus on your long-term employee development. Time invested in personal growth has good returns.
- **Energize your vision** – with renewed inspiration for personal growth and renewed purpose in your employment.
- **Gain Kingdom focus** – by learning and growing in Kingdom focused workplace theory and practice. Learn how others live out the Sermon on the Mount at work.
- **Interact with other Anabaptist employees** – from our own circles who share their employment experience. Gain insights and connections that you will not find at secular or non-Anabaptist employee seminars.

Anabaptist Financial's employee seminars are not only for employees but also
business owners and partners. From new employees to old pros, everyone will benefit.

Gain a deeper understanding of how to be a better team player at work.

Office Track: Document & Filing Management – Leonard Meador

Following with Purpose – Ben Slabaugh

The best followers don’t blindly follow their leader. Instead, they seek clear direction and delegation from leadership. They bring 100% of themselves to the workplace with a work ethic of service and synergistic submission. This session will teach how to be a follower and find the joy of the Master saying, “Well done.”

Office Track: Office Etiquette & Reception – Leonard Meador

Your customers will not care how much you know until they feel how much you care. The Bible has a lot to say about meeting and caring for people. Greetings of respect and kindness are essential to good business. People are willing to pay for a warm reception and comforting hospitality. Learn the art of a welcoming spirit and a happy countenance.
