## Young Family Finances & Budgeting Seminars

These free seminars focus on basic Biblical and financial principles to help you honor the Lord with your finances.

### Young Family Finance Seminar

A rescue squad is urgently needed when someone falls off a cliff, but it would be much better if there was a fence to keep people from getting too close to the edge in the first place. This seminar helps youth and young married couples avoid the edge of the financial cliff and prevents painful pitfalls. Topics include debt and its consequences, key principles of saving, when and how to give, and more.

### Budgeting Seminar

Do you know where you are financially? Do you wonder where your money goes? Are you frustrated in your marriage because of money? In this seminar, we will walk through some simple steps to creating your own family budget. A family budget can help couples communicate about their vision for finances, be better stewards of God-given resources, and show where your treasure and heart really are.
